

Intellectual Property Rights Services

Whilst the list is not exhaustive here are the services we offer our clients:-

- Identify stores, flea markets, wholesalers, importers and exporters involved in the sale and distribution of unauthorised / counterfeit goods
- Trace the manufacturers and factories responsible for the production of unauthorised / counterfeit goods and instigate prosecutions
- Carry out investigations, making test purchases and covertly video recording these. Infiltrating suspect businesses to gather evidence
- Observation and covert surveillance on suspects, either conventional or by use of electronic tracking systems
- Prepare detailed evidential reports for judicial authorities and trademark lawyers
- Source of intelligence and information
- Assist counsel in information gathering
- Support litigation
- Manage projects, analyse information and pass onto trademark holders
- Circulate our client's trade mark details with Trading Standards and HM Revenue & Customs nationwide, co-ordinate raid action and enforcement with the various authorities and supply evidence of authentication following their own seizures
- Make authentication examinations and provide evidence by way of statements, and give evidence in court when required
- Carry out look-alike investigations
- Parallel/grey market investigations
- Trademark/Copyright, Design Right infringement enquiries
- Domain name & Internet enquiries
- Market surveys
- Due diligence exercises
- Asset tracing
- Integrity shopping and test purchases
- Factory inspections and audits
